Statement of Faith

Belief

We believe in the divine inspiration of the whole Bible and therewith the infallibility of the Holy Scriptures which is God's Word.

We believe that the Bible is the Word of God, each word having been God-breathed. God gave the Bible to the Church, and the Church is to serve God in obedience to the Bible.

We hold the Bible as the final and supreme authority for our doctrine and lives, and that it is without error in the original writings.

We believe in Jesus Christ, that He is the Son of God, was begotten of the Holy Spirit, born of the virgin Mary, lived a sinless life, shed His precious blood to save mankind and was resurrected bodily.

We believe that the Lord Jesus Christ died in place of each individual sinner and that all who believe in Him and accept Him as their personal Lord and Savior are justified through His shed blood and become a child of God.

We believe that Israel is God's chosen people, and that the restoration of the Jews in their own land is the fulfillment of the Word of God.

We believe in the pre-tribulational, pre-millennial appearance of Jesus Christ for the Rapture of His Church (all born again believers).

We believe in the immortality of our souls and the resurrection of our bodies. We believe in the resurrection of the just and the unjust, the everlasting blessedness of the saved and the everlasting punishment of the lost.

"Thy word is true from the beginning: and every one of thy Righteous judgments endureth forever." Psalm 119:160

Welcome

Dear Friends,

Those who have the understanding of the times possess the ability to know what ought to be done and are able to guide and direct others in the path that they should go. It is thus very important that we pay particular attention to understanding the words spoken of old concerning the times we are in. We must be awoken from our slumber, prepare for battle and stand as those who do exploits for their God.

Apostle Peter admonished us to take heed (to pay attention) to the sure word of prophecy that we have received as the understanding of it shines as a light in our lives causing all darkness to be cast away.

The objective of this conference is thus to bring us to the place where we have God's word expounded to us and our eyes opened to come to the full understanding of the covenant of blessing that God has promised His people.

We welcome you to come and be enriched in understanding the times we are in and the blessings God has promised Israel (both physical and spiritual) and how we must comport ourselves to remain partakers of these blessings. We pray that there will be a spiritual reawakening and revival in your lives as you participate in this meeting.

The blessing of God is found in His Son - Jesus Christ our Lord and Saviour - and we must diligently search out what, how and where we are required to be to experience the fullness of this blessing. God has a desire that we become "The blessed of the Lord" as He said in Deuteronomy 5:29 "Oh, that they had such a heart in them that they would fear Me and always keep My commandments, that it might be well with them and with their children forever!" (NKJV).

We know that God has prepared his children to teach us at the conference and we welcome you to make the

most of the opportunity that this conference will afford you.

We will like to leave you with this final word, the end of the age is near, the night is far spent, let us awake from our slumber and be a people of action understanding the urgency of the work of the kingdom at this time. There is imminent danger around us and we must be alert and ready for the battle at hand. We must not cease to pray for the peace of Jerusalem and the good of Isreal. Let us not be at ease in Zion but let us arise to the call and the sound of the trumpet. This is not the time to seek repose but a time to stand up for Jesus and His Kingdom. Remember Jesus is coming soon - Maranatha.

In His Service,
Biyi Adeniran

Speakers

Jacob Prasch and Moriel are committed to the conviction that we are in the Last Days approaching the return of Christ and that contemporary events in the Middle East, the moral deterioration of society, the destruction of the environment, the globalization of the world economy, the rise of a pseudo-democratic federal Europe and, above all, the apostasy in the contemporary church, are all events of prophetic significance eschatologically.

Evangelist **Mike Gendron**, a 1992 graduate of Dallas Theological Seminary, is a frequent speaker at conferences such as The Steeling the Mind Bible Conference, The Midnight Call Prophecy Conference, and many others. Mike is Director and founder of Proclaiming the Gospel Ministry, a 20-year old evangelistic outreach to those who are lost in religion. The ministry conducts short term missions, trips and evangelistic seminars in churches throughout the world.

Jackie Fierman has been with Ariel ministry since January of 2005, traveling and sharing about this unique ministry in Quebec, Ontario, New Brunswick, Alberta, British Columbia, and in the U.S., as well as leading city-wide weekly Bible studies in French using Ariel materials for groups that have participants from up to 16 churches. She spoke on radio and television. She was conference speaker at evangelistic meetings as well as at women's retreats.

William Koenig In a career change in the summer of 1996, Bill began publishing "Koenig's Watch," a weekly summary of important Middle East news from Dallas. He moved to the Internet in November 1996 and became "Koenig International News". The news service, which now includes "WorldWatchDaily" with constantly updated stories from a large variety of news sources, today has readers and e-mail subscribers in all 50 states and 105 countries around the globe.

Pastor John Higgins is also using the internet and radio to spread God's Word throughout the country. The main labor of John's ministry is to teach anyone, who will listen, the wonderful record of the Life and Ministry of Our Lord Jesus and to sound the alert of His Second Coming. To watch or to listen to many of Pastor John's previous studies on salvation, redemption and the coming of our Lord Jesus Christ, please visit [Radio Free Church](http://RadioFreeChurch.com).
