## ABOUT YOU (GENERAL):

Tell me a little bit about you and your family:
Your Birthday (Month/Day/Year):
Single or In a Relationship?
Your Occupation:
Your Favorite Color:
Do you have children (if so, how many and what are their names & ages)?

**ABOUT YOU/YOUR FAMILY:**

A favorite memory about you or about your family: [Such as a place you went or a funny story- anything that you think is a great representation of you and your family's identity and signature (so that I learned something more about you, but also, maybe we can incorporate this into your photographs.)
Do you have any pets? (What types of animals are they, and what are their names?)
Your Hobbies/Interests/Pastimes(?):
Favorite Things to do as a Family(?):
Things you like to do as a Couple(?):

**YOUR PHOTOGRAPHY EXPERIENCES:**

Have you ever had portraits made by a professional photographer or other artist?
Last time you had a portrait made(?)
Last portrait or event you had photographed(?)
Last time you had portraits made of your children or others in your family(?)
Last time you had a family portrait made(?)
Who will these images be made for?
Were you happy with the results of your last photographer/portrait experience?
Are there any big events in the future that you might need a photographer for?

**\*SERVICES YOU ARE INTERESTED IN?**

What services are you interested in?
Are there specific environments you most desire for these portraits? (Outdoors... Indoors, Nature...Small Town...Big City) [You can pick multiple]
Is there anything specific (prints or products, for example) you already have in mind for your photos?
Is there a service or type of products that you have not seen on my sites that you are looking for (Including Business Services)?
How many people will likely be photographed? (Do they vary in age?)
Is there a deadline for when you need prints made (If you happen to need photographs for an event)?
Would you like portraits of your pets or do you want your pets in your portraits?
Any other notes or ideas you have for your portrait session:
Any other questions I can answer for you:
