The Charms of Life

2014 CATALOG

A NOTE FROM JILL

At PlanetJill, we help you keep the things you hold most dear close to your heart. Ever since I made a necklace with a photo of my own girls in 2002, we have been helping customers create jewelry and gifts of the highest quality. Every handcrafted item we make tells an important part of someone’s life story.

This year, we’re proud to offer a new way to express your story. Our “Letterpress Collection” takes your letters, names, and favorite sayings, and turns them into beautiful sterling silver or brass keepsakes that you’ll never want to take off.

We package each piece beautifully and send it your way just 2-3 days after your purchase. Whether our product holds your treasured photo, engraved initials, or simply captures your style, we hope you will cherish it forever.

Best,

Jill
