Photographer's Release

Date of Shoot: _____

Model: _____

1. Photographer hereby grants Model, or the parent/guardian of the minor Model named above, (hereinafter "Model") the limited right to use and reproduce any and all photographs ("the Photos") taken on the above shoot date for non-commercial purposes as set forth below.

2. **Non-Commercial Use Defined:** All use of the Photos by Model shall be for non-commercial purposes only. Non-commercial is defined as self-promotional usage, such as agency websites or databases, personal websites or on-line photo galleries, print portfolios, headshots, composite cards, agency websites and databases, and/or other non-commercial electronic or print self-advertising, and shall have the sole purpose of promoting Model's career. Photographer also releases to Model the right to print or reproduce photos for personal use. Use of the photos on the websites, blogs, Facebook pages, or within the marketing materials of any other photographer or modeling site which also provides photography services is considered a commercial use and is strictly prohibited, unless the photographer is properly credited. Use of the photos by a business to promote the business or sell services or goods is considered commercial use and strictly prohibited.

3. The Photos may also be used by Model for contests or competitions, provided Photographer shall be notified which Photos have been submitted for such purposes and shall be given appropriate credit for the Photos in such contest or competition. If such photos are printed in any medium by the publication, website, or company hosting the contest, proper credit to the photographer must be made in the publication or electronic medium.
