Ordering Notes:
-Carrick Hockey-

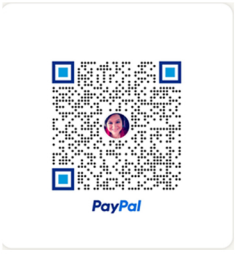

We have recently changed our order form to include photos with siblings or other other family members. We also added a Team section by itself for those just wanting a Team or Section photo.

Our Option C is a digital option and you will be sent a link to download your digitals when photos are delivered. A QR Code will be distributed with the prints.

If you have multiple children and order Digitals, they would each need thier own package but I will also include photos of them toghether in your package as well as their Section photo and Team photo.

Payment options:
We accept Cash, Checks,Venmo and Paypal.
Please make checks payable to Ginger Hites. Payment is due when your order is placed
